SELL WITH SUNSEEKER BROKERAGE

WORLD RENOWNED

Why Sunseeker Brokerage

Sunseeker is a World Renowned and leading brand that promises quality and prestige in every vessel they manufacture.

For over 30 Years, we have built a strong and successful reputation by providing complete yacht brokerage services for our clients. We continually better industry sales figures year on year, through market intelligence and strategic investment to ensure maximum exposure to potential purchasers. It is now the world's largest Brokerage House for the sale of Sunseeker motor yachts as well as a plethora of other manufacturers.

As the world's largest Sunseeker Dealer, covering all of the key areas across Europe, we currently operate within 33 territories and cover most of the key International Boat Shows and events. No matter the location of your boat, one of our experienced sales brokers will be on hand to assist you, at any time. From initial enquiry to after-sales, service and final registration, your entire acquisition will be expertly managed.

MARKETING YOUR YACHT

Professional Photography & Videography

It is a fact that quality imagery plays a huge part in product saleability. Our experience in the marketplace suggests the most important factor when it comes to marketing a yacht is how she looks to a potential buyer.

We will strive to take the very best quality photographs of your yacht, with inhouse photography and videography services available. This ensures unique and exciting content for your yacht to promote across all marketing platforms.

A professional video of your Yacht is now proven to be one of the most valuable marketing materials when selling your boat. Creating video content is extremely quick and easy and we can organise the entire production process for you.

We employ all of the latest drone technologies and work together with specialist teams to bring you the very best videos for your Yacht.

Evidence provided by the world's leading marine portals prove that displaying over **25 quality images** improves your enquiry rate by **up to 35%**.

Virtual Tours & Viewings

Moving into the digital age has seen many technological advances.

Using Matterport camera technology we are able to create a 360-degree virtual tour of your Yacht. A detailed and in depth 360° walkthrough, precisely measured and fully to scale.

Not only a fantastic marketing tool but it also means that we can now put any prospective buyer on your Yacht without them ever stepping outside their front door!
